

Your thoughts as a resident

Do you think lesbian or gay or transgender people would feel your care home is a positive and welcoming place for them to live?

If you like, tell us something about why you chose the option above.

What do you think about the general quality of care in your home?

If you like, tell us something about why you chose the option above.

**Devon Quality Kitemark
in Residential Care for
LGB and Trans people**

The Intercom Trust

What do you think of the poster about Excellence in Care for Lesbian and Gay and Trans and other residents?

Very Good

Good

No feelings
either way

Bad

Very Bad

If you like, tell us something about why you chose the option above.

Can you think of any good examples of how to tackle any kind of prejudice between care-home residents?
