Dear Members

Following my recent visit to all of the HATOC's, please find attached Member Briefing notes.

The initiative is to provide you with some useful background information for you in working with Parish Councils and the public.

This is the first current issue and will be followed up by additional notes in the near future.

Please let me know of any other topics you would like information on and your feedback is welcome.

Yours sincerely

David Whitton
Head of Highways, Capital Development & Waste Management
