List of figures

Figure 4.01	Top five conditions contributing to the gap in life expectancy between the most deprived and least deprived areas, for males and females, for the four areas within Devon.
Figure 4.02	Female slope index of inequality (gap in life expectancy between most and least deprived communities), Devon and Local Authority comparator group, 2007-11.
Figure 4.03	Male slope index of inequality (gap in life expectancy between most and least deprived communities), Devon and Local Authority comparator group, 2007-11.
Figure 4.04	Trends in low birth weights in Devon, 2005 to 2012.
Figure 4.05	Trends in perinatal mortality in Devon, 2003-05 to 2010-12.
Figure 4.06	Percentage of mothers smoking at time of delivery, Devon and Local Authority comparator group, 2012-13.
Figure 4.07	Trends in breastfeeding initiation in Devon, 2005-06 to 2012-13.
Figure 4.08	Trends in breastfeeding at six to eight weeks in Devon, 2005-06 to 2012-13.
Figure 4.09	Trends in obesity in reception year and year six Children in Devon by locality, 2007-08 to 2012-13.
Figure 4.10	Extent to which smoking is allowed in peoples' homes, by smoking status, 2008/09.
Figure 4.11	Trend in uptake of MMR Vaccine at age 5 in Devon, 2004-05 to 2012-13.
Figure 4.12	Uptake of MMR vaccine at age 5 by Devon Area, 2012-13.
Figure 4.13	Uptake of MMR Vaccine at Age 5, Devon and Local Authority comparator group, 2012-13.
Figure 4.14	Emergency hospital admissions from accidental causes in under-fives, Devon, 2008 to 2012.
Figure 4.15	Children's fruit and vegetable consumption, aged 5 to 15 (2003-2011).
Figure 4.16	Children's physical activity levels aged 2 to 15, by age and gender (2002, 2006 and 2007)
Figure 4.17	Young people aged 15 who have ever smoked, by gender, 1982-2012.
Figure 4.18	Smoking status at age 15, by number of smokers pupil lives with.
Figure 4.19	Proportion of pupils at age 15 who had ever had an alcoholic drink (1988-2012).
Figure 4.20	Proportion of pupils at age 15 who have taken drugs (including volatile substances) ever, in the last year and in the last month, by gender: 2001-2012.
Figure 4.21	Trend in sexually transmitted infections in 15 to 19 year olds by Local Authority District, 2008-2012.
Figure 4.22	Trend in sexually transmitted infections in 20 to 24 year olds by Local Authority District, 2008-2012.
Figure 4.23	Trend in Under 18 conception rates in Devon, 1998 to 2012.
Figure 4.24	Under 18 conception rates, Devon and Local Authority comparator group, 2012.
Figure 4.25	Trend in under 18 conception rates by Devon District, 1998-00 to 2009-11.
Figure 4.26	Trend in alcohol-specific hospital admissions in under 18s.
Figure 4.27	Alcohol-specific hospital admissions in under 18s by Devon Local Authority comparator group, 2010-11.
Figure 4.28	Alcohol-specific hospital admissions in Under 18s by Devon Area, 2010-11.
Figure 4.29	Hospital admission for self-harm in under 18s, Devon and Local Authority comparator group, 2012-13.

Figure 4.30	Employment Rate, Devon, 2009-10 to 2013-14.
Figure 4.31	Job seekers allowance claimant rate, Devon, 2009 to 2013.
Figure 4.32	Trend in death from suicide and injury undetermined by gender, Devon, direct age standardised rate per 100,000, Devon.
Figure 4.33	Death from suicide and injury undetermined direct age standardised rate per 100,000, Devon Local Authority comparator group, 2010-12.
Figure 4.34	Trend in prescribing of medication for mental health conditions (five-month moving average), number of prescribed items by month, Devon, April 2004 to March 2013.
Figure 4.35	Trend in referrals to Devon and Torbay Depression and Anxiety Service, 2012-13 to 2014-14.
Figure 4.36	Trend in live births per 1,000 females by maternal age in Devon, 2000 to 2012.
Figure 4.37	Adult (aged over 16 years) fruit and vegetable consumption (2003-2011).
Figure 4.38	Levels of physical activity, by age group and survey year (2008 and 2012) in females aged 16 and over.
Figure 4.39	Levels of physical activity, by age group and survey year (2008 and 2012) in males aged 16 and over.
Figure 4.40	Cigarette smoking status among adults, 1998 to 2010.
Figure 4.41	United Kingdom estimated alcohol consumption by type (litres of pure alcohol per person aged over 14 per year), 1956 to 2007.
Figure 4.42	Average annual excess winter deaths by cause, Devon, 2004 to 2013.
Figure 4.43	Mortality due to accidental falls, direct age standardised rate per 100,000, Devon, 2008 to 2013.
Figure 4.44	Emergency admission following an accidental fall, direct age standardised rate per 100,000, Devon Local Authority comparator group, 2011-12.
Figure 4.45	Trend in emergency admission following an accidental fall by Index of Multiple Deprivation national quintile, direct age standardised rate per 100,000, Devon, 2012-13.
Figure 4.46	Deaths from selected causes under the age of 75 years.
Figure 4.47	Trends in mortality rates from selected causes in under 75s, Devon, 2004-06 to 2010-12.
Figure 4.48	Trends in mortality rates from conditions considered amenable to healthcare, Devon, 2008-10 to 2010-12.
Figure 4.49	Trends in mortality rates from preventable conditions, Devon, 2001-03 to 2010-12.
Figure 4.50	Mortality rates from preventable conditions, Devon Local Authority Comparator Group, 2010-12.
Figure 5.01	Mortality rates from ischaemic heart disease by European sub-region, direct age standardised rate per 100,000, 2008-10.
Figure 6.01	Uptake rates for selected vaccines, Devon versus Local Authority comparator group and England, 2012-13.
Figure 6.02	Trend in uptake rates for selected vaccines in Devon, 2004-05 to 2012-13.
Figure 6.03	Uptake rates for influenza vaccine in at-risk under 65 population by condition and Devon Clinical Commissioning Group, 2013-14.

List of tables

Table 4.01	Life Expectancy by Devon County Council Electoral Division, 2009 to 2013.
Table 4.02	Total population aged 65 years and over predicted to have a fall each year.
Table 5.01	What is a Mediterranean diet?
Table 6.01	Percentage of women aged 25-64 receiving a cervical smear test in the last five years (financial year 2012-13).
Table 9.01	Estimates of resident population: mid 2012
Table 9.02	Population projections: mid 2017
Table 9.03	Live births by maternal age: 2006-12
Table 9.04	Stillbirths and rates (per 1,000 live births) by maternal age: 2006-12
Table 9.05	Live births in NHS hospitals and low birth weights: 2006-12
Table 9.06	Legal abortions and rates (per 1,000 women) by maternal age: 2011 and 2012
Table 9.07	Abortions by gestational age and abortions in the NHS: 2012
Table 9.08	Mortality in infancy and childhood: 2006-12
Table 9.09	Deaths from selected causes by age and sex: 2012
Table 9.10	Standardised mortality ratio for selected causes of death: 2010-12
Table 9.11	Standardised average annual years of life lost (per 10,000 resident population aged under 75) by selected causes of death: 2010-12
Table 9.12	Standardised mortality ratios for 'avoidable' and other potentially reducible causes of death: 2010-12
Table 9.13	Standardised registration ratios for selected cancers: 2009-11
Table 9.14	Immunisation Rates for Selected Age Groups: 2012-13
